

EBSCO DISCOVERY SERVICE (EDS) STEP-BY-STEP SEARCH GUIDE

Ebsco Discover Service (EDS) is a comprehensive search platform offering a “Google-like” search experience of AIU’s library e-resources including electronic databases, e-journals, e-books, library catalogue and much more.

STEP 1: Go to AIU website select library on the main menu or simply click <https://www.aiu.ac.ke/library/>

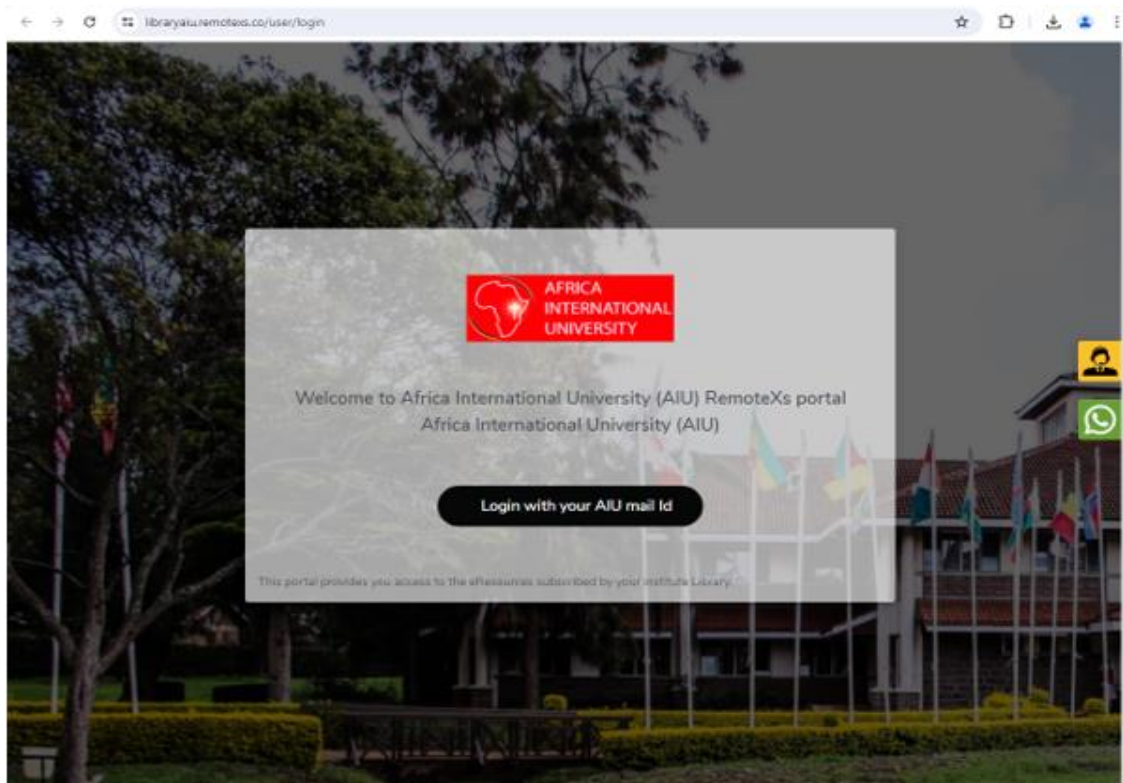

To start your research, simply enter your keyword, topic, or citation into the single **search box**, then click the search button. EDS will return the most relevant results.

Ebsco Host Discovery (Single Search)

RESEARCH STARTER

Social Media Effects: Social Isolation.
Social media use has continued to expand as existing sites grow and new sites are created. In a Pew Research Center study in 2021, the most popular sites for all American adults were YouTube (81 percent) and Facebook (69 percent). Among young adults 18-24, Instagram (76 percent) and Snapchat (75 percent)...
